Dear Mr. Hedenmark,

Greetings from NGHA-Riyadh!

On behalf of National Guard Health Affairs, I would like to send you our warm recognition for the delightful and educational talks that you have been disseminated to all NGHA employees who attended this event, "**Healthcare Facility Safety Seminar**" held last 21st - 23rd of February 2010. It's really an honor having you in that successful seminar. We really appreciate that you took so much time to participate with us.

I'm looking forward having you for our future events. Again, thank you for your valuable contribution and cooperation. Cheers!

Best regards.

Dr. Syed Kumail Jafri
